Upon motion duly made by Councilmember Kagawa, seconded by Councilmember Yukimura, and unanimously carried, the Minutes of the July 10, 2013 Planning Committee Meeting was approved.

The Committee proceeded on its agenda item as follows:

Bill No. 2461	A BILL FOR AN ORDINANCE TO AMEND CHAPTER 8, KAUAI COUNTY CODE 1987, AS AMENDED, RELATING TO THE COMPREHENSIVE ZONING ORDINANCE (<i>Amendments to the Shoreline Setback Ordinance</i>) [This item was deferred to September 18, 2013.]
---------------	---

Chair Nakamura: We are continuing discussions on this Bill with the different stakeholders. We are making a lot of progress, but we need more time. So, I would like to ask for a deferral to September 18, 2013.

Mr. Kagawa: I would just like to make a comment before we defer. One of the things that I have heard from the public about this Bill is that we have to make sure that we recognize that there are differences when we address shoreline. You can have a regular shoreline, like a beach next to the highway. But you can also have a shoreline where it is beach and cliff. In both instances, tsunami or what have you, affects our shoreline much differently. So, that is one of the points.

Chair Nakamura: Thank you. I think that is one of the distinctions we are making in the upcoming amendment.

Mr. Kagawa: Thank you.

Chair Nakamura: Are there any further comments? If not, I would like to see if there is anyone from the public who would like to testify on this matter.

There being no objections, the rules were suspended to take public testimony.

There being no one present to provide public testimony, the meeting was called back to order, and proceeded as follows:

Upon motion duly made by Mr. Kagawa, seconded by Ms. Yukimura, and unanimously carried, Bill No. 2461 was deferred to September 18, 2013.

The Committee proceeded on its agenda item, as shown in the following Committee Report which is incorporated herein by reference:
